## Dedication

This edition of the  
Stanton Yearbook is dedicated  
to our advertisers, our teachers,  
our trustees, our parents and  
to our friends who have  
supported us so loyally in all  
of our school activities.

May our lives reflect just how  
sincerely we do appreciate you.

*The Seniors*

## SUPERINTENDENTS'S MESSAGE

It is a great pleasure to express my appreciation to the students and faculty of Stanton School for your friendship and cooperation in making this school term of 1950 and 1951 a pleasant and successful term. My greatest wish is that this school program has provided training and guidance in such a way that you will be better able to meet with the problems of your life and solve them so that your happiness and success will be promoted and elevated.

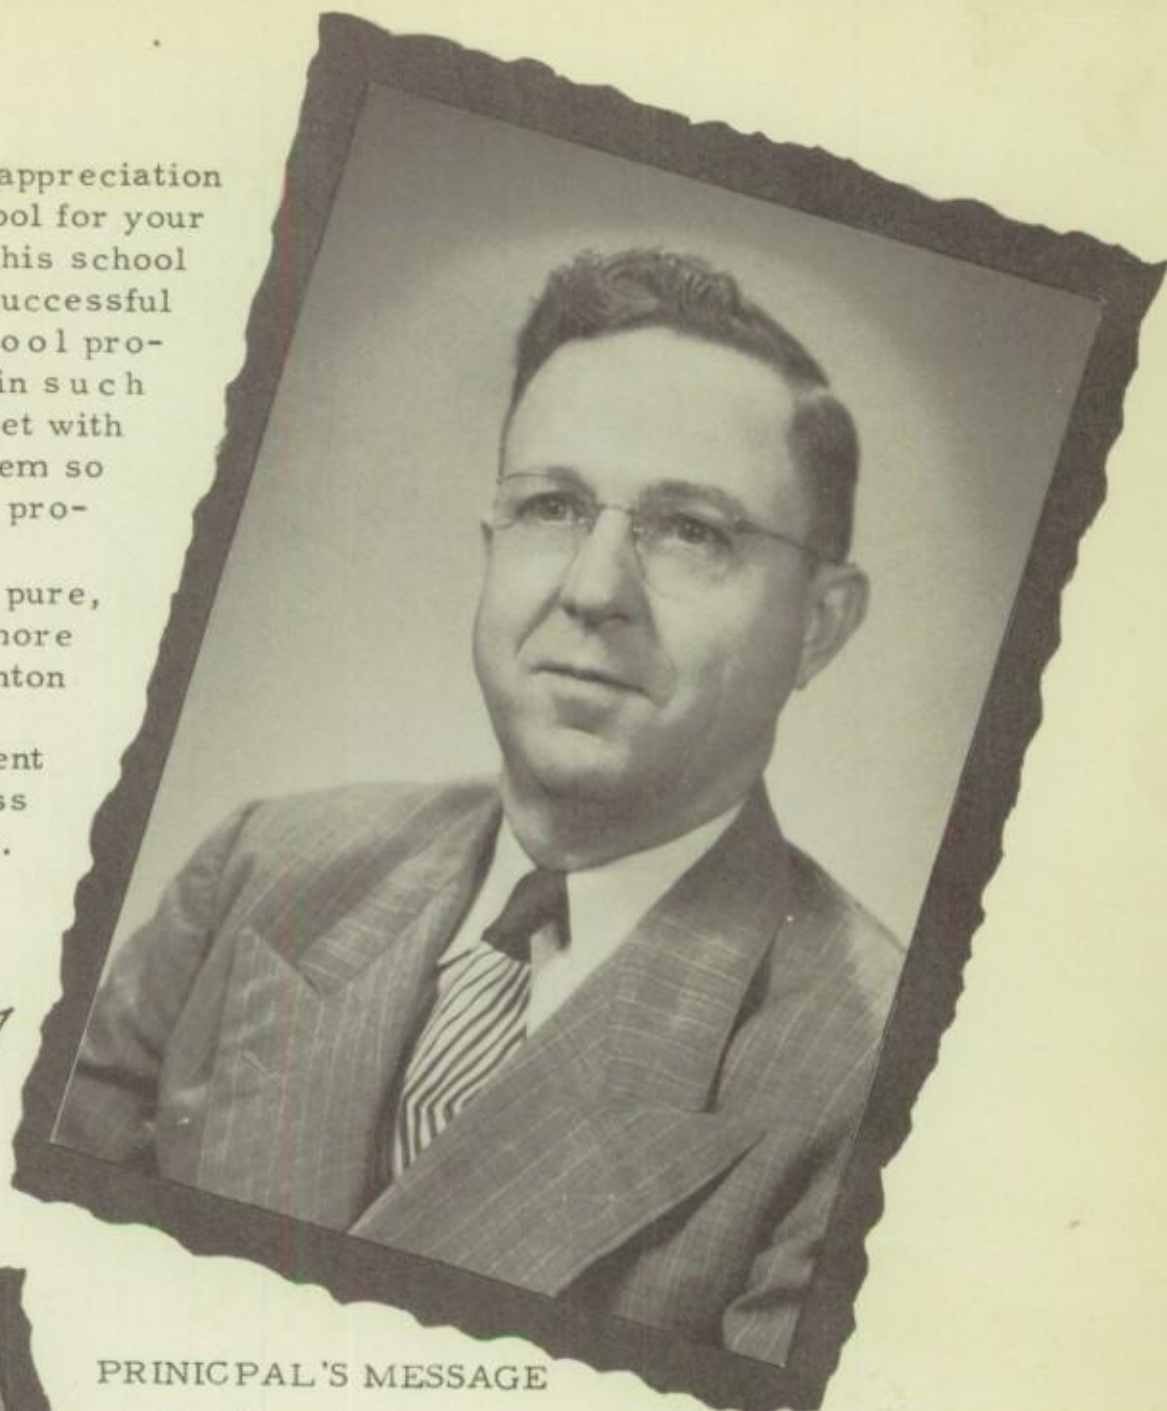

I trust that your Character is more pure, your mind is more alert, and you are more physically fit by having attended this Stanton School.

May I wish for each teacher and student of Stanton School a continuance of happiness and success in all your endeavors of life.

Your Friend,

*G. H. Goolsby*

G. H. Goolsby

## PRINCIPAL'S MESSAGE

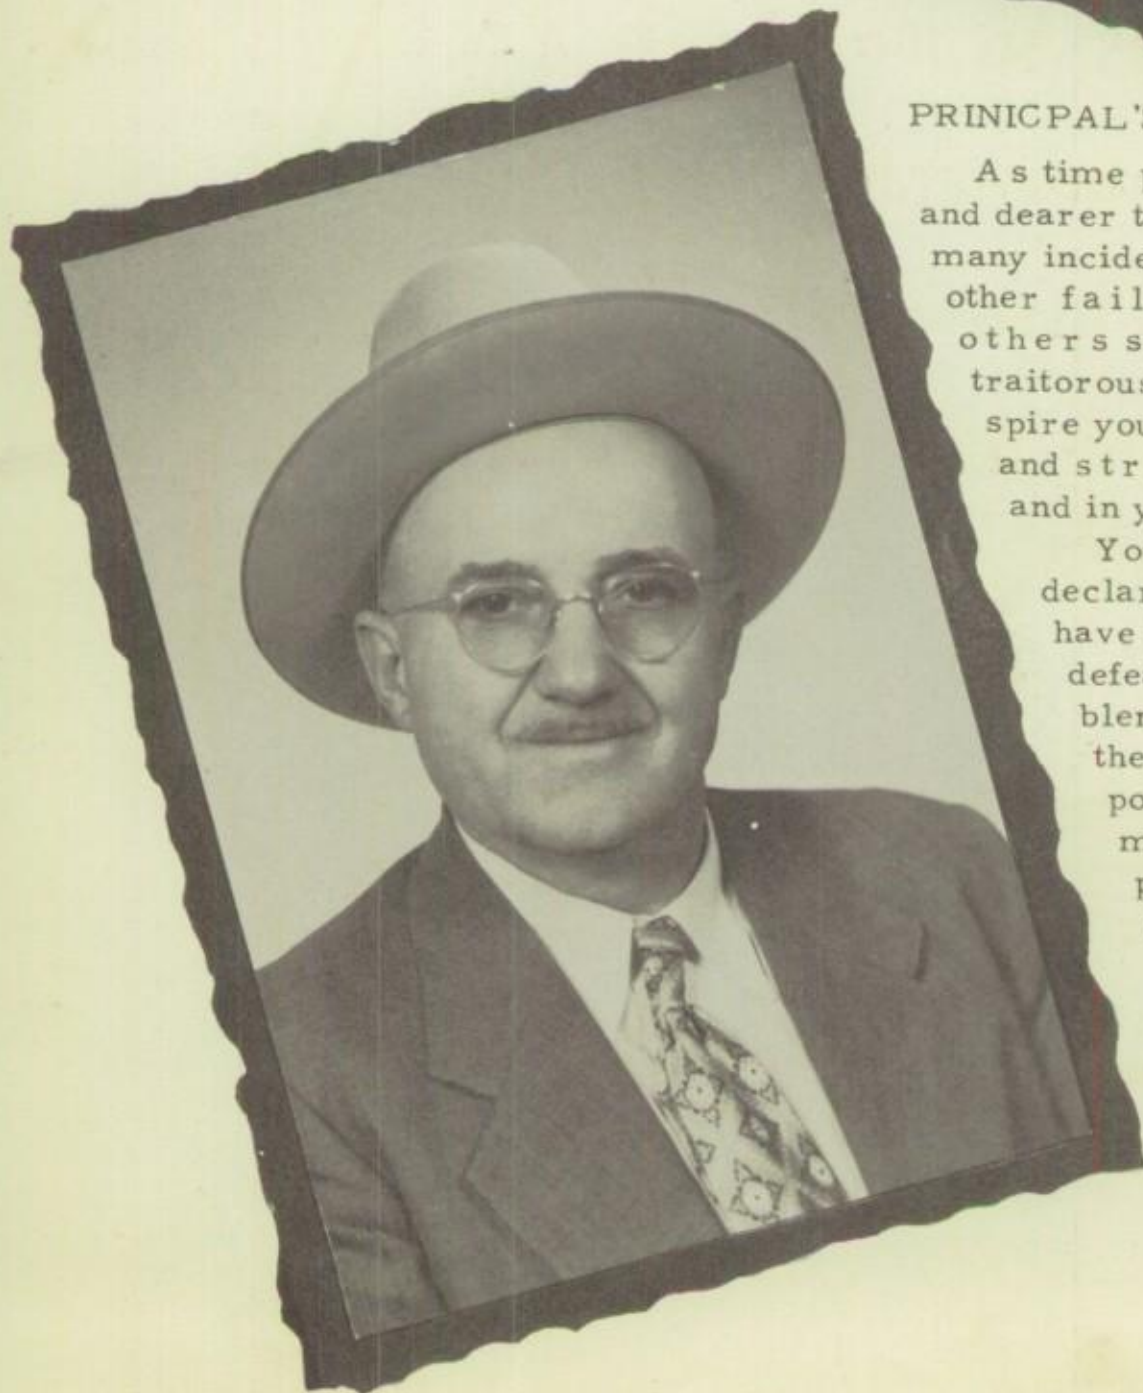

As time passes your annual will become dearer and dearer to you and will assist you in recalling many incidents and activities - some successful and other failure, associations - some pleasant, but others sad, and friendships some true, but others traitorous. I trust that these memories will inspire you, give you greater hope for the future and strengthen your faith in your fellow man and in your God and Master.

Young people, conditions caused by an undeclared war are a challenge to you. They have forced the present generation to admit defeat and pass not only their unsolved problems, but the enormous public debt that they have incurred down to you and your posterity for solution. Even though you may find them insoluble, if you will complete your education, discipline your lives, give your responsibilities the best you have, promote the brotherhood of man, live close to your God and Master and accept Him as your savior and redeemer, you will not only be a success in life, but will not be afraid to die and will have no fear of your immortal destiny.

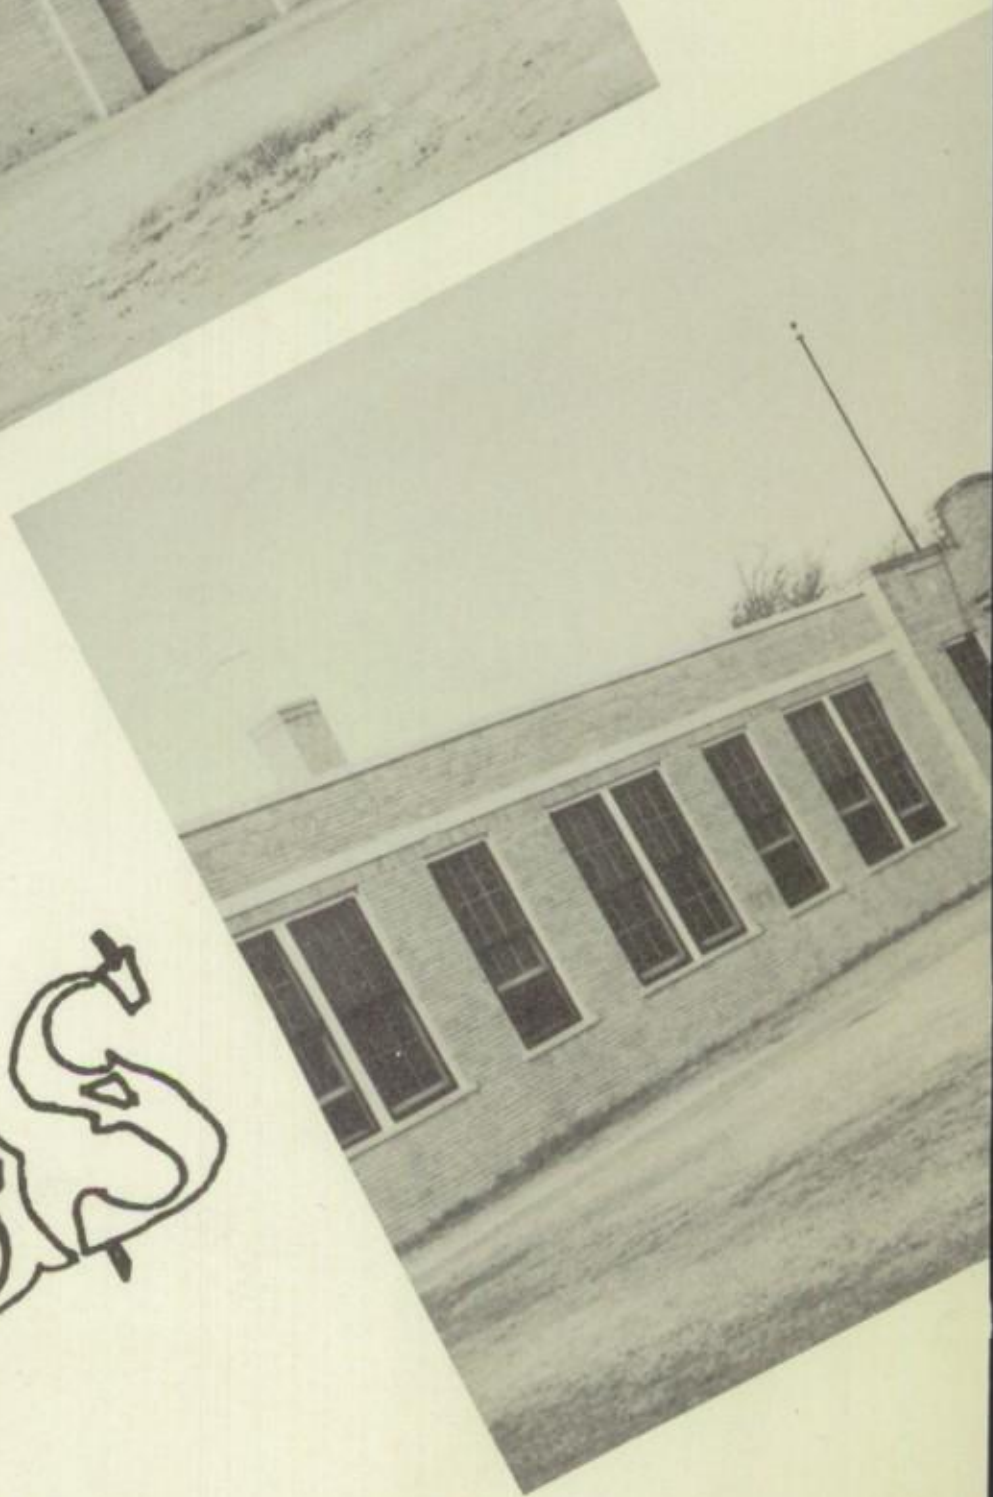

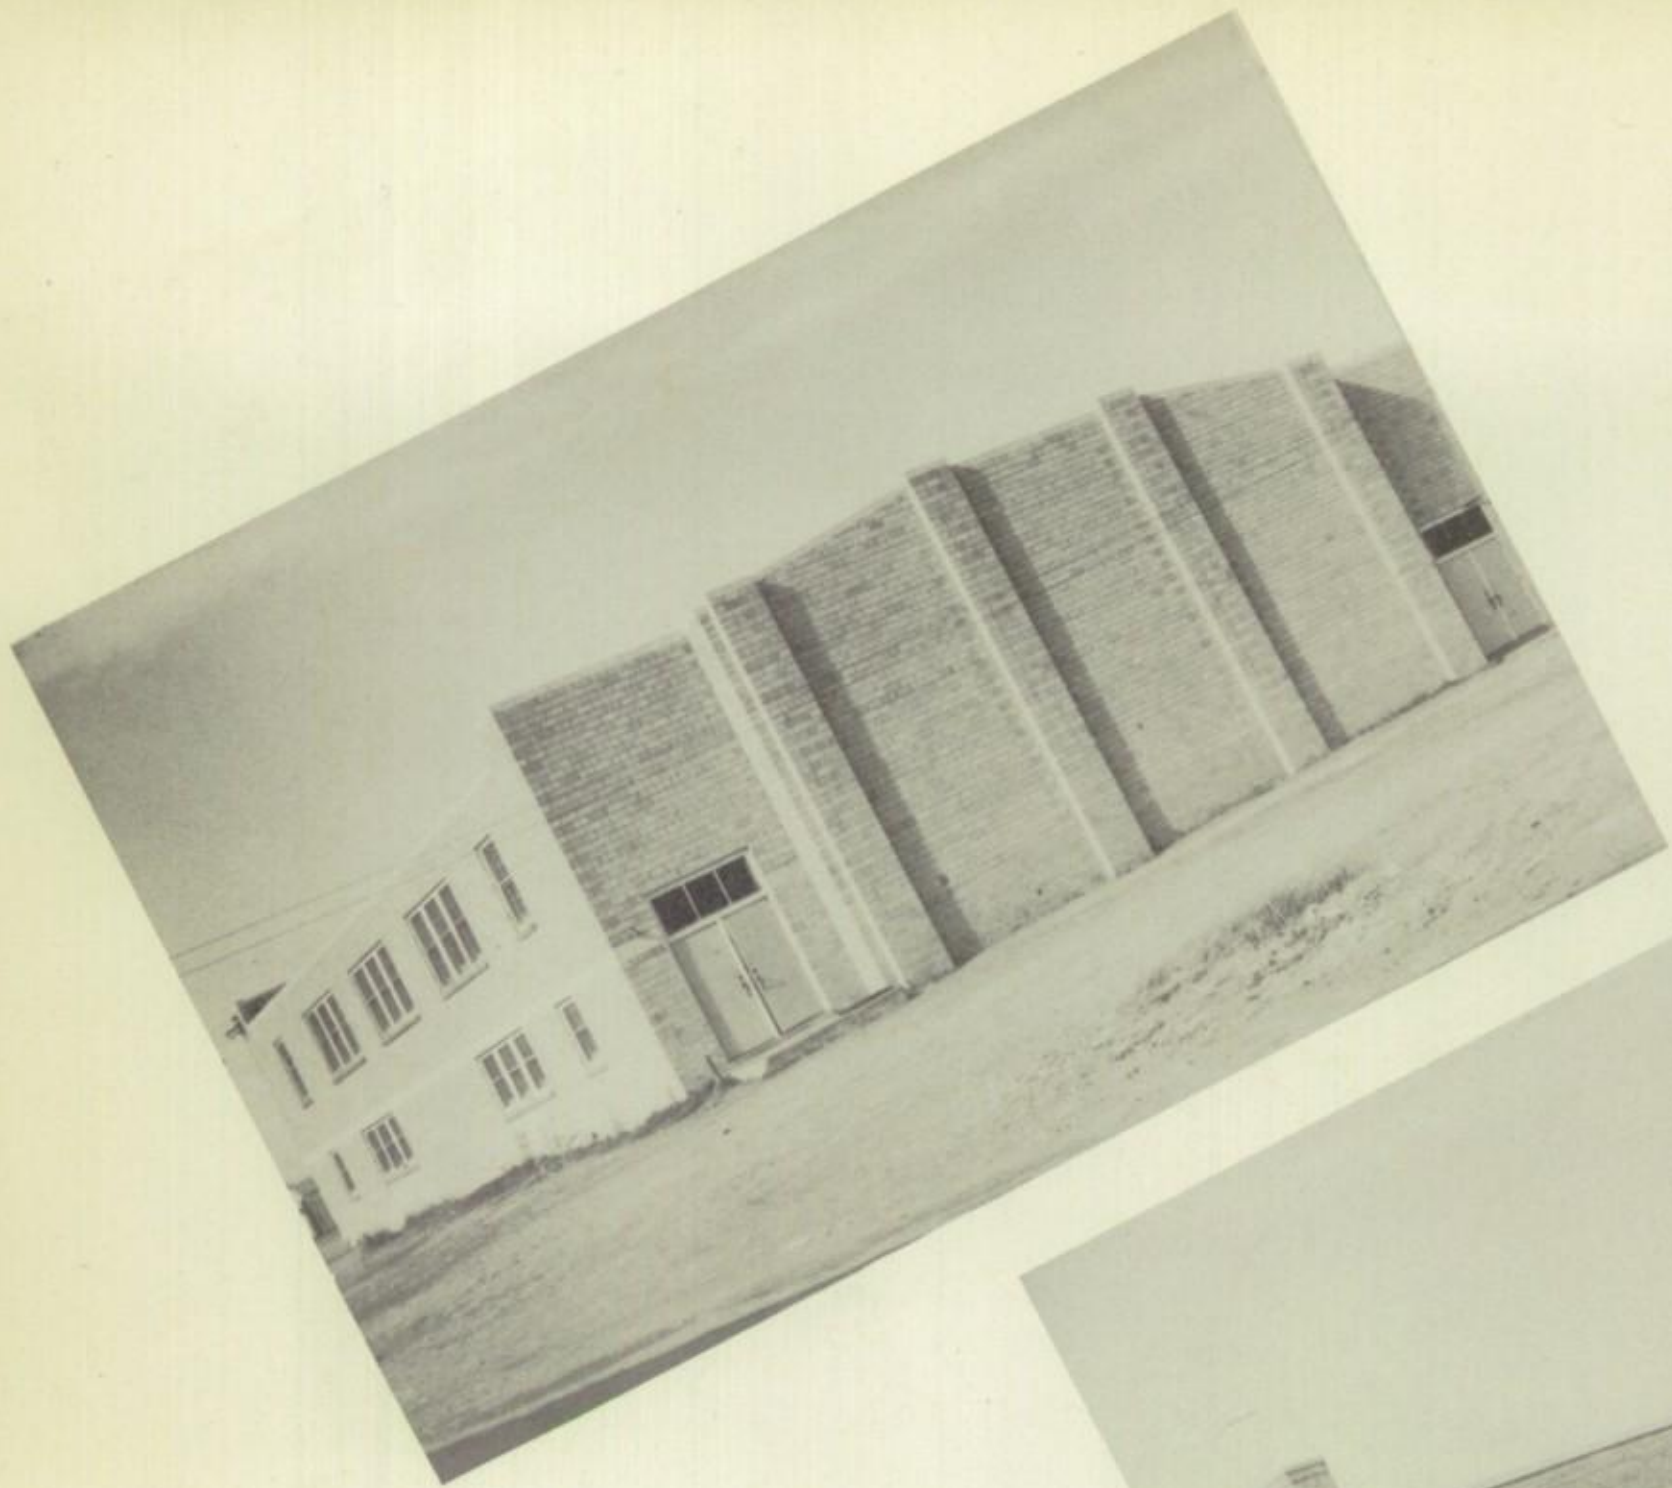

Your Friend,

*H. F. Collins*

WILLOW

TARY

ELEMENTARY SCHOOL PRINCIPAL

It is our sincere desire that this school year be one of the most profitable for the youth of this community.

The gravity of world affairs demands that teaching be extended as never before, that we inculcate in our children the value of peace, freedom and democracy.

# Stanton Crowned Champ In Region 2-B Tourney

## West Texans Beat V. Mills Quint, 51-45

By JODIE EMBREY

Stanton's Buffaloes of District 23-B combined rebound control with excellent ball-handling to outlast the fast-breaking Valley Mills Eagles of District 28-B, 51-45, in Howard Payne gym last night to win the Region 2-B basketball championship title and a free ticket to the State Tournament in Austin next month.

Earl Koonce, Leroy Gibson and Bobby McClain led the Buff scoring parade as the West Texans gained their 29th victory in 31 starts this season. Only Big Spring

and Midland, both AA cage outfits, managed to tame the fast-breaking Buffalo quintet.

The score was knotted an even dozen times during the first eight-minute stanzas, as quintets battled on even terms, neither sporting more than a point advantage through first 24 minutes of play. Stanton and Kenneth Henson, burning the Stanton meshes, the Buffaloes pulled to a 46-45 with five minutes playing time remaining.

Valley Mills' Maurice Williams and Don Mullins added a hook shot and lay-up to cut the scoring deficit to only two markers with four minutes remaining. But Stanton was not to be denied the hard fought victory as they again widened the margin on buckets by Gibson and Earl Koonce.

Fred Weir, the game's high scorer, added an Eagle counter from the free-pitch line, but Stanton's Henson sank a lay-up to set the final scoring mark at 51-45.

The finalists came from extreme ends of Region 2-B, with approximately 305 miles by highway separating the two towns. Valley Mills is near Waco, while Stanton isn't far from the New Mexico line.

The Eagles' Weir broke the first quarter scoring ice with a lay-up, but McClain countered for Stanton with a charity toss. Melvin Light added a free toss for the Eagles, however, G. Koonce sank a jump shot to knot the score at 3-all. Stanton's Henson sank a charity toss and McClain followed with a two-pointer. Valley Mills' Robertson sank a lay-up, Mullins bucketed a crisp, and Light meshed a shot from the field, while Koonce, Henson and Gibson added Buffalo field goals to lead Stanton to a first quarter 11-9 advantage.

Scoring remained as close as two lovers during the second quarter

ton with 13 as teammates Gibson and McClain trailed with 12 each.

The difference between the two quintets was Stanton's height under the basket. McClain and Henson swept the backboards clean on almost every occasion.

The winning Stanton team was presented a beautiful trophy for their efforts by Dr. Z. T. Huff, Regional 2-B director, to wind up the night's proceedings.
